

How to Host a Facebook Fundraiser

Support the KCNT1 Slack Epilepsy Foundation Inc with Just a Few Clicks

Hosting a Facebook Fundraiser is a simple, impactful way to support families and research for KCNT1-related epilepsy. Whether you're celebrating a birthday, honoring a loved one, or raising awareness, every dollar helps accelerate progress.

Here's how to do it:

Step-by-Step Instructions

1. Go to the Facebook Fundraiser Page

 <https://www.facebook.com/fundraisers>

2. Click "Raise Money" → "Nonprofit"

3. Search for Our Official Charity Name

In the nonprofit search box, type:

KCNT1 Slack Epilepsy Foundation Inc

 *Make sure it says "Inc" — this is our IRS-recognized name.*

4. Set Your Fundraising Goal & End Date

- Pick a realistic amount (e.g., \$250, \$500, or more!)
- Choose an end date — many people do 2 weeks or 30 days.

5. Create a Title & Description

Facebook will auto-fill a generic message, but we recommend customizing it!

Here's a sample:

I'm raising money for the KCNT1 Slack Epilepsy Foundation Inc in honor of [child's name]. This incredible organization supports families like mine and funds research for a cure. Every donation, big or small, makes a difference.

6. Upload a Personal Photo (Optional but powerful!)

Fundraisers with a family photo or image get significantly more engagement.

7. Click “Create” to Launch Your Fundraiser

8. IMPORTANT: Invite Friends

After you create your fundraiser, you'll be prompted to **invite friends**.

👉 **Do this step!** Fundraisers with invited friends raise **10x more**.

You can also:

- Share your fundraiser in a post or story
 - Thank people publicly as they donate
 - Re-share mid-way through your fundraiser with an update
-

💡 Tips for Success

- Tag your fundraiser in a few posts so it stays visible
 - Re-share near the end to give a final push
 - Add a personal message in your invite (why this cause matters to you)
 - Use hashtags like #KCNT1 #EpilepsyAwareness #RareDisease
-
